### Waller & Rogers.

#### Dangers of Defective Plumbing

Defective plumbing permits the entrance into the house of sewer gas, bearing germs of contagious diseases to which the human system readily succumbs. Sewer gas is not merely generated in the sewer, but is frequently created in the plumbing system within the home and enters the apartments through defective fixtures. In doubt, consult us regarding the piping and plumbing defective fixtures with "Standard" Porcelain Enameled Ware—acknowledged as the best sanitary equipment.

## DOINGS IN CIRCUIT COURT

Petit Juries Made Up Tuesday and Numerous Cases Passed Upon.

### COMMONWEALTH CASES

Henry Quarles Was Acquitted of Felony Charge By Jury.

The list of petit jurors drawn for the term of circuit court begun Monday, is as follows: E. D. Jones, T. D. McGee, John Greenwood, T. B. Caldwell, John Glover, Jeff Morris, C. L. Dade, F. M. Young, R. C. Hopson, Thos. King, Thomas Winfree, John Boyd, Wm. Cravens, J. E. Cannon, J. G. Hord, C. W. Jones, J. H. Eggleton, N. O. King, J. W. Stamps, G. W. Bowles, W. T. Sadler, Ed Mahry, T. J. Moseley, and Watt Dollins.

The case of the commonwealth against Henry Quarles, col., under an indictment charging buggery, was called early Tuesday and the most of the day was consumed in the trial. The jury returned a verdict finding the defendant not guilty.

Scott Maddox, charged with breaking open an enclosure, was found guilty by a jury and a fine of \$30 was assessed.

The indictment against Andrew Laub, charging affray, was dismissed and stricken from the docket.

The commonwealth vs. Walton Bowling, under an indictment charging him with shooting and wounding, was dismissed.

Nettie Wilson was fined \$50 and costs on a charge of selling liquor without a license.

Bill Lacey and Nick Green failed to appear in court and bail bond of \$50 in each case was forfeited.

Charley Warner, charged with breach of the peace, was dismissed.

About two dozen misdemeanor cases were continued until the June term.

Dr. William Leverett, col., against whom suit for \$3,000 was recently filed by Annie Bell Phelps, col., filed his answer, in which he makes a sweeping denial of the charge. He sets up the further claim that the action is barred by the statute of limitation in such cases.

The Planters Hardware Company has filed a demurrer to the suit for \$500, recently brought by Commonwealth's attorney Denny P. Smith, in the name of the Commonwealth, alleging failure to have the word "incorporated" appear after the name of the company in some of their advertising in the papers. Defendant claims that the petition filed does not state facts sufficient to constitute a cause of action, and further, because it (the defendant company) says that the law authorizing a recovery in such cases is vicious and bad and is unconstitutional.

### FINAL FIGURES

In Regard to the Assessment of Property in the County.

The assessment of real and personal property in Christian county for the year 1906, as made and returned by the assessor, shows the total taxable property of the county to be \$14,833,830. This includes the increase of nearly \$5,000,000 in the assessment of the Cumberland Telephone & Telegraph Company, this being its home office. The total increase over 1905 is \$5,298,339, after the supervisors have finished their work. The figures by districts are as follows:

District	White	Colored
No. 1.	\$1,885,280	\$46,250
No. 2.	2,796,055	70,615
No. 3.	644,815	20,860
No. 4.	8,666,390	132,715

## EXPLAINS THE SALES

Vice President Barker Writes Of Open Auction Sales.

### ON FOUR MARKETS.

Tobacco Can Be Bought From Classes Made By Executive Committee.

Mr. Chas. E. Barker of Pembroke, writes as follows in a Clarksville paper:

"Referring to the open auction sales by the Association in Exchanges at four points—Clarksville, Hopkinsville, Mayfield and Springfield, under the arrangement there will be no change made in present manner of preparing it for market. Prizing etc. will continue just as at present. The prizers' types will be sent to any of these four sales rooms that the farmers may elect, and the hogshead stored where he may direct. By these prizers types, our salesmen will class and price these tobaccos. When offered on the open market by our inspectors' samples, if the tobaccos do not bring their value, our salesman, who must be present, will reject them. This will remove many objections that are now held by the farmers who do not belong to our organization. The Italian, French, Spanish and Austrian Regies can buy from the Executive Committee by classification, if they wish to do so, before the auction sales begin, but if they prefer, they can come on the open market and make it interesting for Bemen and others. This will remind the farmer of the good old days that they had before they the farmers' commenced to bid against each other at the barn door, much to the Regies' amusement and profit."

### YOUNG COUPLE

Married at Hotel Latham Tuesday Night.

A very quiet wedding took place at Hotel Latham last Tuesday night. The contracting parties were Miss Myrtle Yancey, of Dyeusburg, Crittenden county, and Mr. C. R. Jackson, of Caldwell county, who were accompanied by Miss Bobbie Clifton and Mr. J. B. Easley, of Kelsey. The ceremony was performed by Dr. G. H. Nash in his usual impressive manner. The bride is a beautiful brunette, and is a general favorite in the social circles of her native town. The groom is a prominent young business man of Kelsey. The marriage was not a runaway affair, but the happy couple came here on a sort of bridal trip, and after spending the night at the Latham the party returned to their homes yesterday morning at 11:20, over the I. C.

### In Police Circles.

Affairs in police circles have been rather quiet this week, there having been but four arrests. John Benton, the negro who shot Arthur Gray, col., in the leg last Saturday night and jumped on a train going south, was arrested and brought here fast Tuesday and delivered to the chief of police. He was placed in the lock-up and his case will be investigated by the grand jury now in session.

A white man was arrested Tuesday for indecent exposure of person; a negro for walking with a prostitute, and another negro for breach of the peace.

### City Bank Opening.

Yesterday hundreds of people called at the new City Bank building and inspected the handsome quarters. All expressed themselves as highly pleased. The officers of the institution were unremitting in their attention to the callers and red and white carnations and ferns were
